The below is only a brief summary of some of the important points elaborated on in our terms and conditions document.

Travelling to New Zealand - Australian passport holders must complete the New Zealand Traveller Declaration (NZTD) online or via the app before reaching passport control in New Zealand, with the earliest submission being 24 hours before departure.

For more information, visit www.travellerdeclaration.govt.nz, and for other passport holders, check visa requirements at <https://www.govt.nz/browse/immigration-and-visas/visitor-visas-and-the-nzeta/>

Travelling to the USA - If you are travelling to the United States please see <https://esta.cbp.dhs.gov> for important information regarding compulsory pre-registration for their visa waiver program (ESTA). Australian passport holders will not be able to enter the United States without a valid ESTA (or visa). Please note, you may not meet the requirements of ESTA and may be required to obtain a visa.

Travelling to Canada (by air only) - Travellers to Canada who are citizens of a visa exempt country (incl. Australia, NZ & UK) must obtain approval. Refer to <http://www.cic.gc.ca/english/visit/visas.asp> to find out if your passport allows you to travel to Canada without a visa, but requires an eTA (Electronic Travel Authorisation)

Travelling to the UK - New ETA Requirement for UK Visits (incl Aust/NZ)

If you're travelling on or after 8 January 2025, Visa-exempt travellers, including children need to apply for an electronic travel authorisation (ETA) to visit the UK <https://www.gov.uk/check-uk-visa>
From the 26th February 2026, Dual Citizens of Australia and UK/Ireland are exempt from the ETA program and will be required to travel with both passports.

For details and to apply prior to travel, visit: <https://www.gov.uk/guidance/apply-for-an-electronic-travel-authorisation-eta>

Passport Validity - All travellers must have a valid passport for international travel and many countries require at least 6 months validity from the date of return and some countries require a machine-readable passport.

Travel Advice - We recommend that you contact the Department of Foreign Affairs and Trade or visit their website at <http://www.smartraveller.gov.au/> for general travel advice
